D.O.No.1940407/2020/IMM
Dated the 24th November 2020

Dear Colleague,

Reference may be made to letter of even number dated 26th October 2020 wherein ToRs were shared for formation of State Steering Committee, State Task Force and District Task Force for structured review of preparedness for COVID-19 vaccine introduction at state and district level.

I have been informed that most of the States and Districts have already constituted above mentioned committees / task forces and are conducting regular meetings to provide guidance on various preparatory activities like assessment of cold chain space and its augmentation, preparation of database of HCWs for upload on Co-WIN software, mobilization of the pan sectoral response involving all concerned government departments / NCC / NGOs etc.

With an aim to further decentralize planning and preparedness for roll-out of vaccine, Block Task Force (BTF) for COVID-19 Vaccine Introduction also needs to be constituted. The BTF has to be chaired by Sub-divisional magistrate / Tehsildar and convened by Block MO I/c with the representation of Government Departments, Development partners, NGOs, Local Influencers and Religious Leaders at Block Level. The detailed ToR of BTF is enclosed herewith.

You are requested to kindly direct the concerned officials to constitute Block Task Force as detailed above on priority basis. I look forward to your support towards preparations for introduction of COVID-19 vaccine in our country.

with warm regards

Yours sincerely,

(Vandana Gurnani)

Enclosure: As above
