No.DD/SSU/Novel Coronavirus/17/2019-20

Date : 2/5/2020

ORDER

Subject : Quarantine of International Passengers on payment basis at star hotels – reg..

1. At present the International passengers are being categorized into A,B,& C groups depending on their symptoms and co-morbid conditions. The category A passengers (symptomatic passengers) are being sent to isolation hospitals which may be Covid care centers. The category B passengers (asymptomatic but suffering from co-morbid conditions) are sent to institutional facilities like hostels, guest houses, hotels etc., where round the clock presence of medical personnel is there. The category C passengers (asymptomatic and healthy) are being quarantined at hotels, hostels, guest houses etc., with visit of medical team once a day.
2. There have been demands by category B & C passengers to provide them star hotel accommodation on a self-payment basis. The issue was discussed in detail in task force meeting and it was decided that such facility can be provided.
3. Therefore, it is decided that category B & C passengers can be given the choice of staying in a star hotel at their own cost. The BBMP Special Commissioner / Deputy Commissioner can have a meeting with such hotels and finalize the rate. Such rate should be negotiated; the hotels for category B passengers should have round the clock presence of health personnel while hotels for category C should be visited by health staff once a day. 2 to 3 rooms in each hotel shall be reserved for the health staff for setting up 24x7 facility / visiting clinic. All the protocols and requirements of institutional quarantine should be followed at these hotels.
