# COMMISSIONERATE

## Health & Family Welfare Services

No. COM/HFW/PS/2020

Dated: 18.07.2020

### CIRCULAR

**Subject:** Utilisation of hospital beds for moderately and severely ill COVID-19 patients.

In view of recent surge of COVID-19 cases in Bengaluru and other districts of the state, many patients are visiting various hospitals and seeking admission. In the process, moderately and severely ill COVID-19 patients are sometimes unable to get admission in hospitals. In this context, it would be prudent to admit moderately and severely ill patients in hospitals, both government & private and encourage asymptomatic and mildly symptomatic patients to get admitted in COVID Care Centres (CCC) or be in home isolation as per their eligibility and suitability following triage.

All hospitals are hereby advised to comply with the above recommendation in the larger public interest and prevention of COVID-19 mortality.

  
Commissioner
