Sub: Awarding credit points for doing exemplary work in COVID-19 pandemic- Reg.
Ref: 1. Circular from Maharashtra Medical Council Vide No.MMC/ Circular/2020/01112, Dated: - 29/04/2020
2. Proceedings of the COVID-19 Expert Committee dated 23/08/2020.

With regard to the subject and reference cited above, Maharashtra Medical Council on 29/04/2020 has passed circular wherein, resolution has been passed on awarding credit points for doing exemplary work in COVID-19 pandemic. The council has appreciated the vital role played and acknowledged the doctors who are committed to serve people with all their might. The resolution states that:

" 2 CPD credit points per day up to a maximum of 10 credit hours should be granted to those RMPs who are actively participating in the containment and treatment of COVID 19 patients as per prescribed rules: -

1. RMPs actively serving in the Government Hospital/Institutions catering to COVID-19 patients.
2. RMPs working in private hospitals dedicated towards treatment of COVID 19 patients.
3. RMPs actively participating in Fever Clinics/Community Clinics/ Rakshak Clinics/Mobile Clinics etc. for primary diagnosis of fever patients.

The said RMP should produce a certificate from the Dean/District Collector/Corporation Health Officer/Civil Surgeon that they have actively participated in the above duties."
