CIRCULAR

Sub: Providing un-interrupted Dialysis services at District and Taluk level hospitals in the State.

Ref: (1) Contract no. JDM/MDP/53/2016-17 dt. 10-03-2017.
(2) Complaints received from District Surgeons and AMO's.
(3) Newspaper article referring to deficiency in dialysis services.

It has come to the notice of the Department that certain consumables are not provided by M/s BRS Health & Research Institute , Bengaluru during dialysis and in certain instances, the patients have been asked to purchase consumables.

Department of Health & Family Welfare is providing dialysis "**free of cost**" to all patients needing dialysis and it may be also noted that there shall be **no out of pocket expenditure** incurred by the patients while seeking health services in general at Govt. health facilities.

In case of interruption of dialysis services for want of essential consumables, the same may be procured with available fund at the facility and all such expenditure incurred shall be recorded in the monthly bill.

It is therefore informed to all facility heads to ensure that un-interrupted dialysis services is provided.
